## **Urgently hiring**

### **Job details**

**Salary** - \$21 - \$28 an hour

**Job Type** - Part-time

**Number of hires for this role** - On-going need to fill this role

### **Full Job Description**

We are looking for individuals to work with children and adolescents with autism using the principles of Applied Behavior Analysis (ABA). ABA therapists will work with individuals of all ages on the autism spectrum and their families in the home, community, and/or office settings in Nassau and Suffolk Counties (Long Island), Queens, and Westchester. We offer excellent ongoing training and supervision opportunities. These are part-time positions. These jobs are available after school hours on weekdays, and on weekends.

Responsibilities include:

- Implementing behavior plans developed by a Board Certified Behavior Analyst (BCBA)
- Collecting and recording behavioral data to monitor the individual's progress
- Making learning fun and engaging for children, adolescents and adults with autism
- Working together with parents to teach a variety of skills to children and adolescents
- Working collaboratively with a therapy team

# Job Listing: ABA Instructor ABA Paraprofessional/Behavior Technician
